TrustyPaws - Where Love Meets Expertise

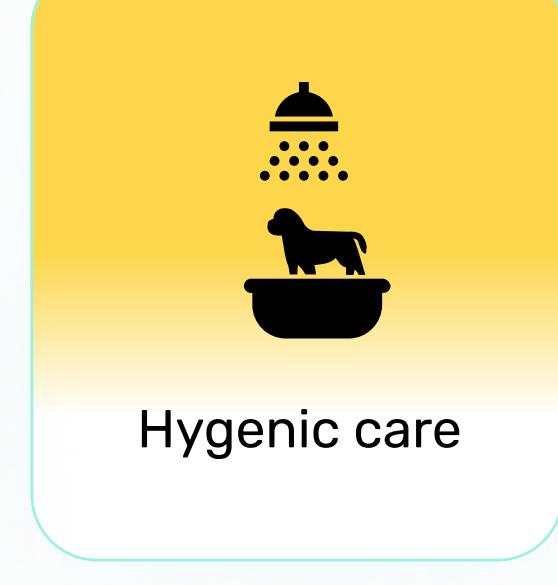

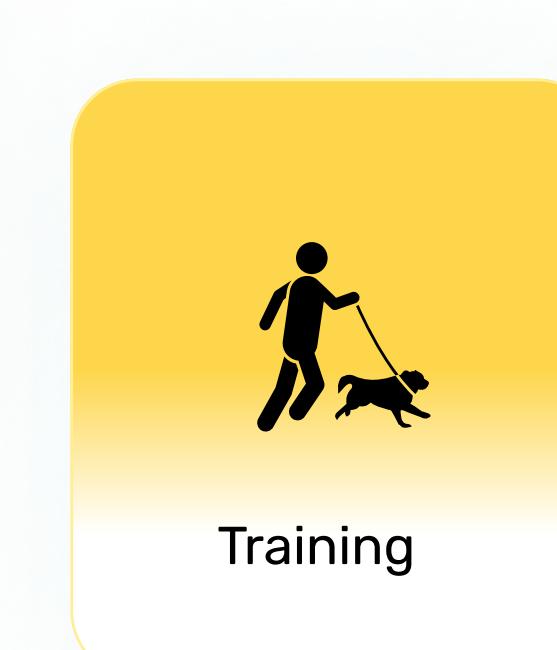

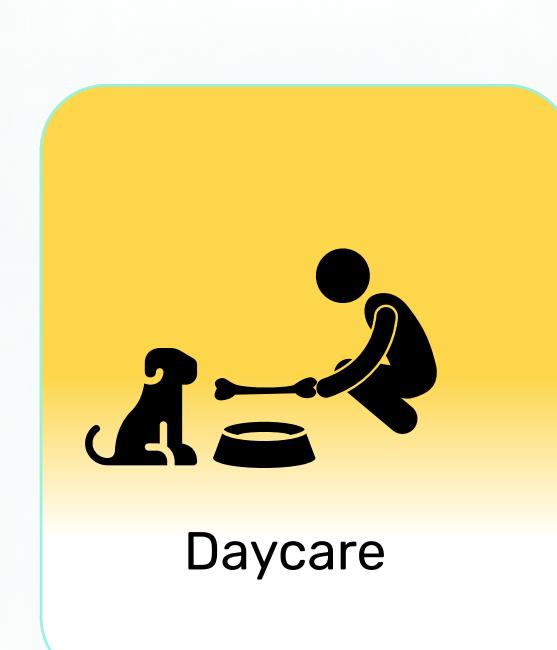

TrustyPaws isn't just a pet care company, it's a passion project born from a deep love for all creatures great and small. Founded in 2010 by Jack, lifelong animal enthusiasts with a combined 25 years of experience, we understand the unique bond between pets and their families.

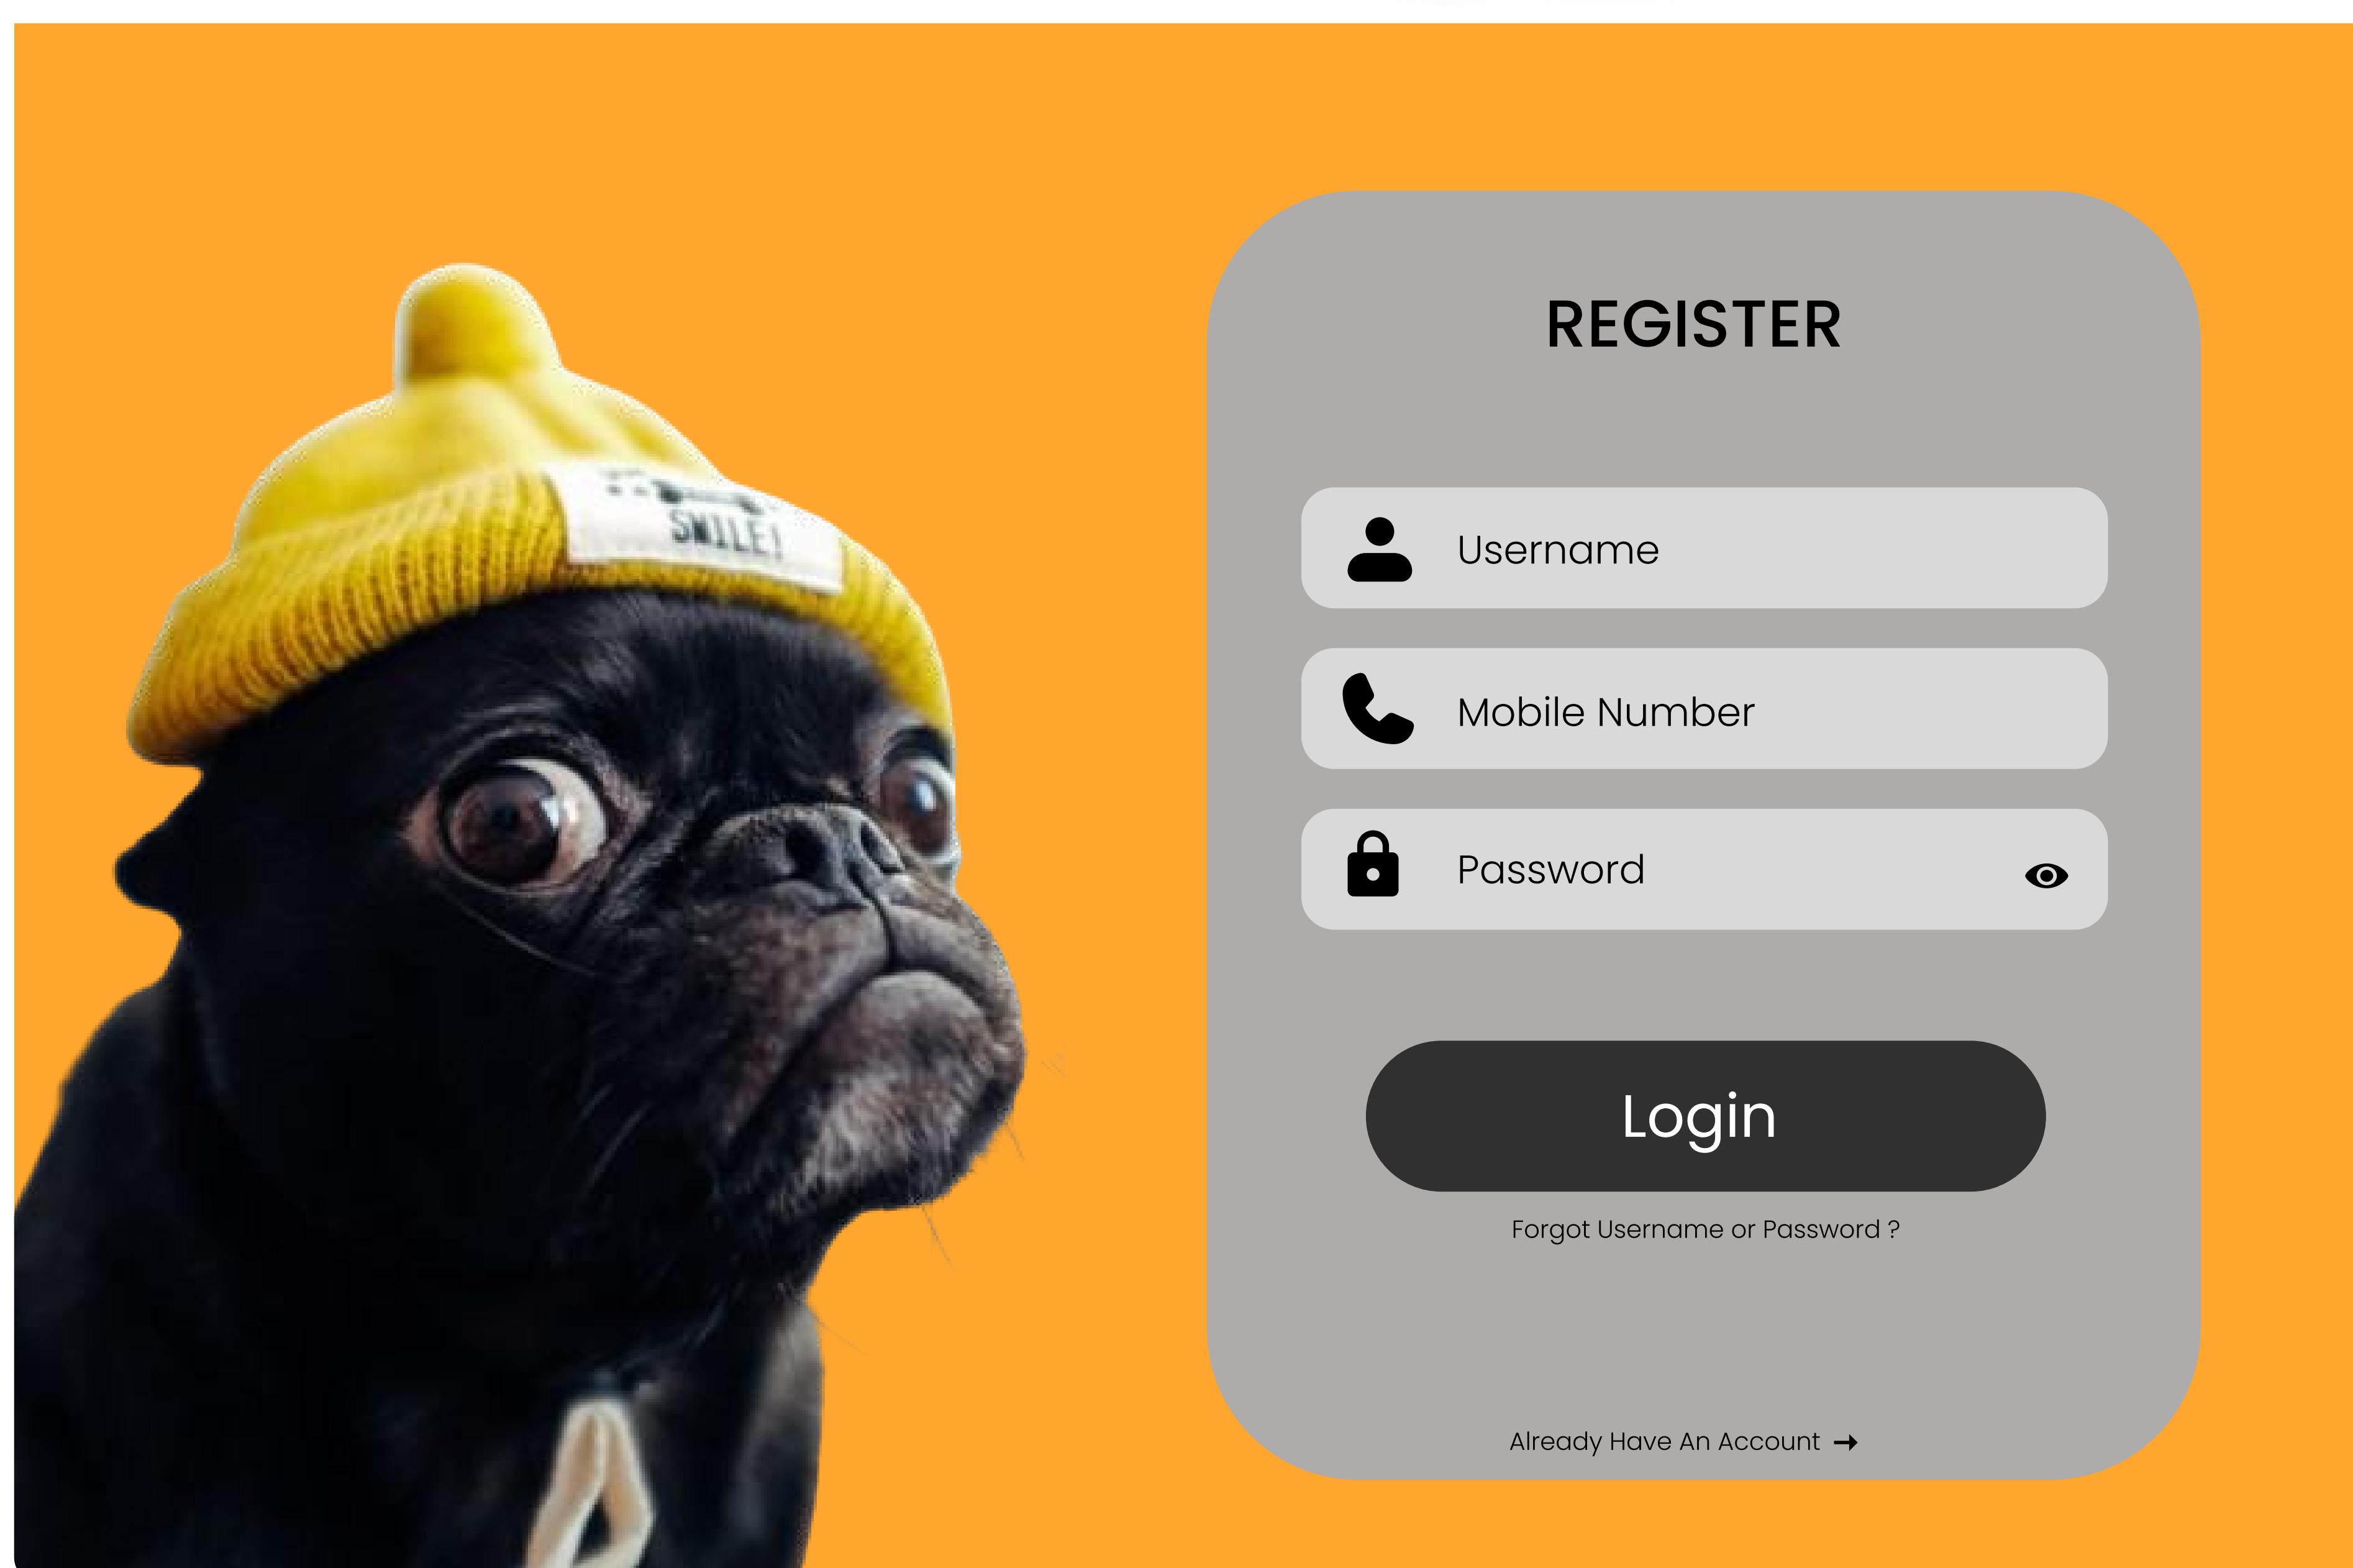

We started TrustyPaws with a simple mission: to provide exceptional care that goes beyond the ordinary. We believe pets deserve the very best, whether it's top-notch veterinary services, playful pet sitting adventures, or a comfortable boarding experience that feels like home.
